Solutions

Join Wakefield Climate Action Project
for a great **networking and educational** event:

Wakefield Works 10-10-10

Sunday, October 10, 2010

1:00 - 4:00 p.m.

Wakefield Unitarian Universalist Church

326 Main St

Wakefield, MA

Free composting bins to the 1st ten Wakefield residents to sign up!

Wakefield Climate Action Project is hosting a networking event for folks to share and learn about what we in Wakefield are doing to address climate and environmental issues. The event will also feature a composting display, information discussing the fiscal benefits of "being green," and an opportunity to sign a petition to support the CAI "Value [The] Meal" Campaign!

If you would like to share information about your project or organization, contact info@wakefieldcap.org or call Wendy Dennis at 781-246-9751 to reserve a space.

Also, If you have knowledge about and have had successful experience with indoor and outdoor composting, we'd love to hear from you!
